Every project is unique based on the clients requests. Below is the breakdown of the general costs you could expect to see for most orders.

\$85

Proof Request:

Initial design showing 2-3 proofed options (*based on request) as well as first round revisions for one design.

\$300

Logo Package:

Client will be provided a questionnaire to answer basic questions about design and business goals. Layouts will include designs as well as specs for each option based off of what the client has asked for or what is suggested by the designer.

\$15

Additional Design Time:

Per quarter hour of design time after first round of proof revisions.

Custom

Custom Project:

As some projects may be unique, there can be custom estimates for some clients. **Based on complexity of request*

All completed projects will be sent through email/dropbox/wetransfer to clients with multiple file formats for use with web and print.

Average proof turnaround is a minimum of 48-72 hours from written or verbal approval from the client. All requests are unique, therefore some may require additional design time.

*All projects are subject to a Rush Fee (*minimum additional 25%) if turnaround time required is less than 48 hours.*

**Referral discount is available on certain projects.*
